WRITING

~~I want~~ Oh, hello! I want to tell you one maybe interesting story. Once I was transferred to another school again due to moving to Moritsek, I was transferred to a school called "Gymnasium". I was in grade 3 at that time, and it was interesting: "What kind of letter will the class have do they translate me?" She turned out to be the letter "A".

I managed to meet a lot of people from the class, with three very friendly guys, I talked a lot, and their names were Daniel, David, Berman. The four guys had a lot of all kind of "Adventures". So we finished grade 5.

and one of our four left forever from Norilsk; it was
Daniel. Now i'm already in 4th grade, but there's no less
„Adventures“, now only one of my best friends, David, remains.
„Me and he always belived in his dreams from
those days on.“
