WRITING

Every time a little puppy was very sad. When someone ask him: "Why ~~you~~ you are sad?", puppy says: "I haven't got friends and family, I am- nothing". People often said, that this puppy is bad, dirty and stupid, so our little dog was sad and cry lots more. One day he ^{was} thinking: "Why I am just one everytime? Why no anybody, who is one, like me? I want to have a friend...". And in this second a little kitty, which went nearly, told to ^{the} puppy: "Are you one in this life? I want to become your friend!". And kitty and puppy became the best friends. Puppy was very happy and he always believed in his dreams from that day one.
