The problem of children's education is one of the most popular problem in the world. In many countries parents couldn't give to their children education, that ~~has~~ they need, but in countries where that ~~is~~ possible, parents ~~are~~ help their children too much. Many parents send their children to school, others, ^{who} have that possibility, educate their children at home. But which education is better?

At first, at school children have a first experience of talking to ~~their~~ others students. They learn the first

But on the other hand ^{too} at school one group of children can be more rich than other and that group can think that they're better. Poor students can ~~think that~~ ~~be~~ be terrified by others, and get a lot of ~~complex~~ problems from school.

gr

So, educating it is a personal ~~choice~~ ^{choose} of everyone and no one can say how ~~can~~ somebody need to do ^{2ww} ~~wrong~~ ^{sense}
