WRITING

Pushkin Museum

Now I'd like to write about my favourite place in Moscow. I believe, that my favourite place in Moscow is Pushkin Museum. It is located on Volkhonka 12 street. I was there with my parents last summer and enjoyed our time.

Gr

Pushkin Museum open from 11am untill 7pm on Tuesdays, Wednesdays, Saturdays and Sundays and from 11am untill 8pm on Thursdays and Fridays. Here you can find a lot of exhibits of foreign art. Moreover, when you walk the halls at the same time you travel through all historical eras. You will see everything from the tombs of sphinxes to ancient Russian icons. What's more, the Pushkin Museum presents all kinds of art: sculptures, paintings, household items. I'd like to add that, all museum visitors can buy memorable souvenirs. For example, books about art, pins, magnets, stickers and something like that. Also, the museum has its own merch which consist of shoppers of different colours and models. To my mind, all the staff at the Pushkin Museum are very polite, responsible and ready to help you in any situation.

Gr

In conclusion, I want to add that, all museum visitors are satisfied. I haven't heard any negative opinions or feedback. Don't miss the chance to visit this museum because you will get an unforgettable experience and wonderful memories. We are waiting for you! See you in Moscow!
