The Big Theatre in Moscow

gr the

The Big Theatre is located in the heart of Moscow near the Red Square and Moscow river. You can reach to theatre by taxi, bus, or tram. ~~on your own~~ can. But Moscow has a lot of traffic jams so I will recommend to use train. The Big Theatre is really popular place, especially for imaginative and creative people. But it also will be interesting for people who want to know Russian culture better.

What about me. I like the Big Theatre because it is a wonderful place where you can see very famous Russian ballet and listen the best opera singers. What is more I am a big fan of ballet and saw more than 5 ballet in this theatre. Unfortunately, I don't like operas, so I know nothing about them. but I'm sure it is really amazing concerts.

I would recommend the Big Theatre to foreign tourists because in this you can closer to Russian culture. This place will send you to another unbelievable world. For example, every year at a New Year eve the Big Theatre shows the Nutcracker well-known all over the world and really magical ballet. I think everybody should this unforgettable performance.
